

easyCBM Student Login

When student use easyCBM they need to follow this process:

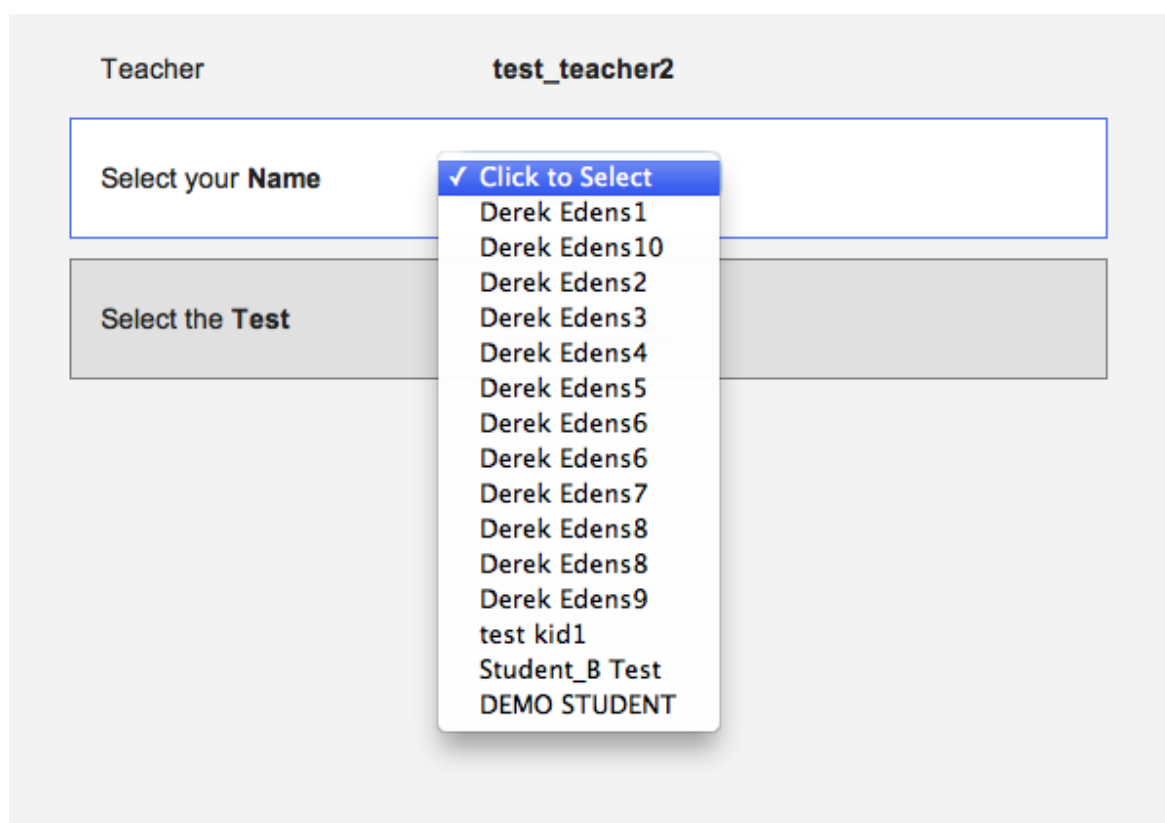

1. Access the site using: ddsd.or.easycbm.com
2. Next click, "Click Here" under "Students."

3. Now the student needs to type the teacher's username (It is your district email username).

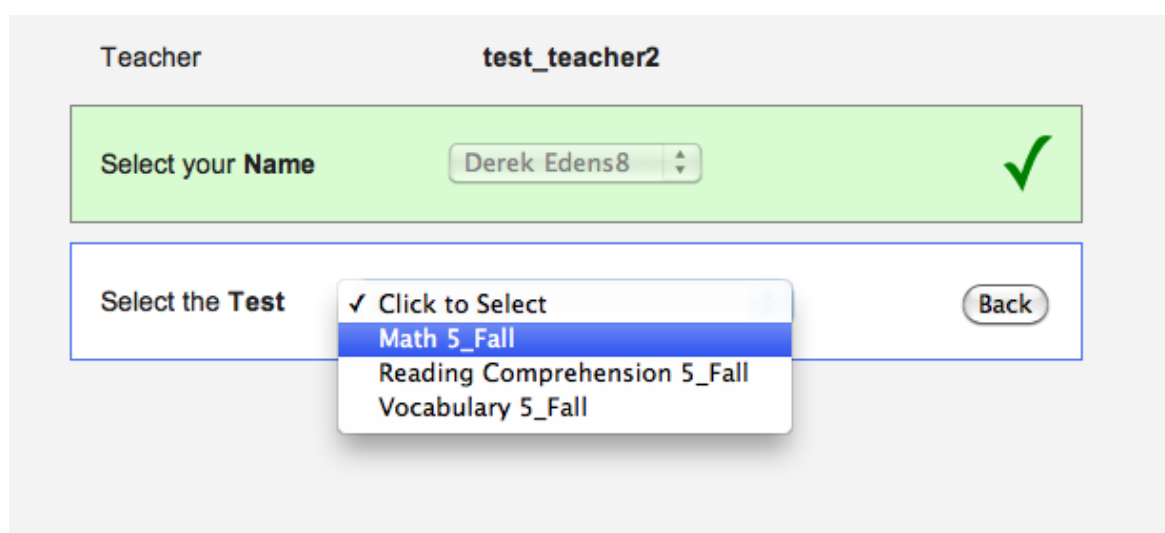

4. Next the student needs to find their name under the drop down menu.

The screenshot shows a user interface for a teacher named "test_teacher2". There are two main sections: "Select your Name" and "Select the Test". The "Select your Name" section has a dropdown menu open, displaying a list of names: "Derek Edens1", "Derek Edens10", "Derek Edens2", "Derek Edens3", "Derek Edens4", "Derek Edens5", "Derek Edens6", "Derek Edens6", "Derek Edens7", "Derek Edens8", "Derek Edens8", "Derek Edens9", "test kid1", "Student_B Test", and "DEMO STUDENT". The top option, "Click to Select", is highlighted with a blue bar and a checkmark.

5. Now select the appropriate test.

The screenshot shows the same user interface as before, but now the "Select your Name" section is highlighted in green and contains a dropdown menu with "Derek Edens8" selected, accompanied by a green checkmark. The "Select the Test" section has a dropdown menu open, displaying a list of tests: "Math 5_Fall", "Reading Comprehension 5_Fall", and "Vocabulary 5_Fall". The top option, "Click to Select", is highlighted with a blue bar and a checkmark. A "Back" button is visible in the bottom right corner of the "Select the Test" section.

IMPORTANT:

6. Once the student has selected themselves and the appropriate test you need to check that they are correct **before** they click, "Take Test."
